

DECEMBER

Director Updates!

Our December Bible focus will be on Jesus' birth with Mary & Joseph, angels, shepherds, & wisemen. We will discuss the concept of not just getting things at Christmas, but also giving to others. During December we have many hands-on Bible learning centers so children can experience different aspects of the Christmas story from the Bible as they play, explore, and ask questions. Some classrooms will even do a dramatic play of the Christmas story!

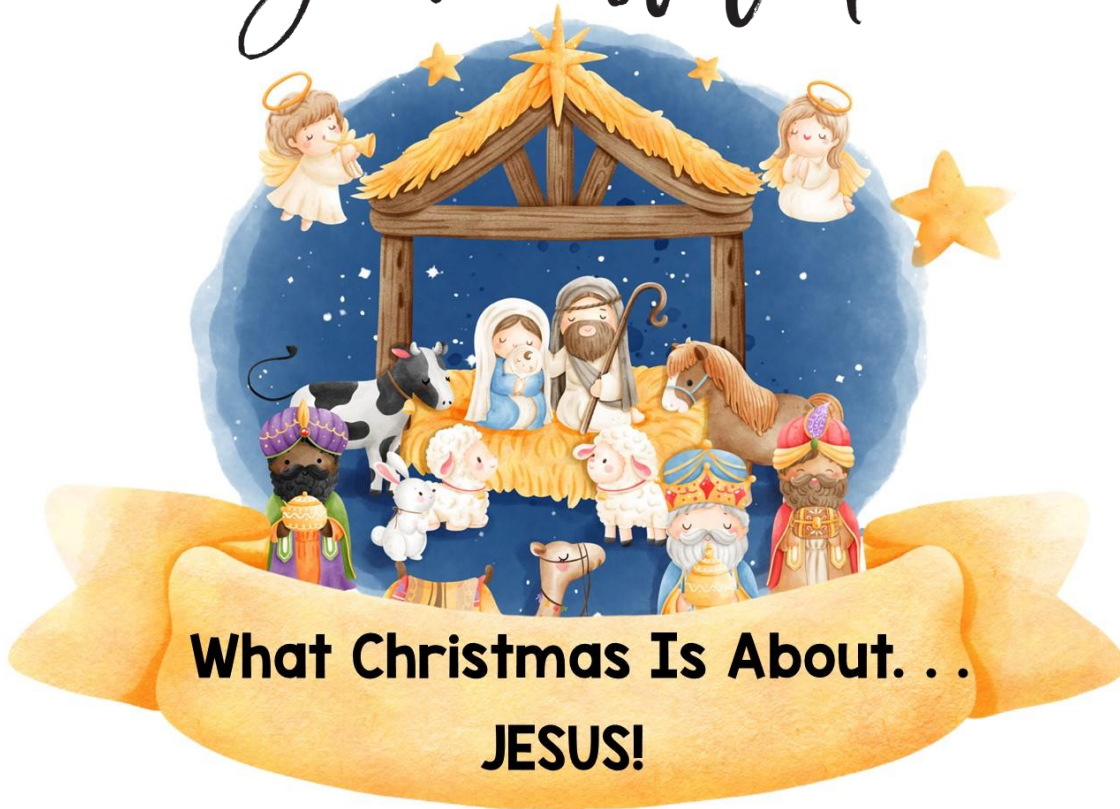

At our Christmas parties we will celebrate Jesus' birthday! Here at Kidslink we emphasize that Christmas is also Jesus' birthday! Preschoolers can easily identify the concept of having birthdays and the fun that goes along with this annual event in their own life. They understand birthday cake, candles, parties, and singing "Happy Birthday". Your child may even ask you to join them in singing Happy Birthday to Jesus at your house on Christmas!

"God loved us and sent His Son."

Kidslink Christmas Parties!

Jesus!

T-TH students: Tuesday, December 17

MWF & 5-day students: Friday, December 20

Parents are invited once again to join us for the Kidslink Christmas Party. No siblings, please so you & your preschooler can share a special time together. We do realize that it is a very busy week with our parties and programs in the same week, so we totally understand if you can only attend our Christmas Program!
