

KIDSLINK NOVEMBER UPDATES!

November's Bible focus is "Praying with Thankfulness". The ten lepers will be a Bible lesson shared this month where our preschoolers will discover that only one leper returned to Jesus to say thank you. In another lesson, Daniel was thrown in a den of lions and prayed even when things weren't going his way and he was having trouble.

We can learn from these Bible stories to be grateful and thank God in whatever circumstances we find ourselves. The monthly Bible verse we will be learning is from

1Thessalonians 5:18 - "In everything give thanks".

Expressing thanks when we pray to God helps us to grow in our ability to be more grateful!

During our Bible time we will be discovering the answers to questions..."

What is prayer?", "What do I say when I talk to God?" and "Is it hard to talk to God?"

We will be looking for things we can thank God for each day. Children can change our perspective as they teach us to stop in our busyness and take the time to notice the world around us that we as adults often overlook. I encourage you to extend our Bible focus to your home during November. When you start looking for things that you can be thankful for, then you realize how very blessed you really are!

*The attitude of gratitude is contagious!
Count your blessings in November!*

Kidslink Pumpkin Patch Photos!

We appreciate all the parents that helped to get the pumpkins in the field to create our Pumpkin Hunting Grounds!

Mrs. Baird's MWF Class

Our preschoolers found their own "perfect" pumpkin!

We loved having so many parents join in the fun. Many thanks for taking the time to come for our hunt!

Kidslink Thanksgiving Parties!

Parents are invited to join us for our first classroom party to celebrate Thanksgiving!

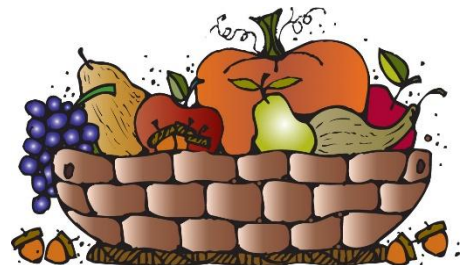

Teachers will be contacting parents that have already signed up to help! We really appreciate parents providing special snacks and festive party tableware! Our parties will take place the last preschool day before Thanksgiving Break!

We ask that parents only attend and no siblings of any age, so you can focus on your sweet preschooler during this special event! Teachers will communicate the exact times for class parties.
